Missed Appointment Policy

For new patients who miss their appointment:

1. A new patient who no-shows their 1st appointment will move to the bottom of the new patient wait list and will be rescheduled when an appointment is available.
2. After the 2nd no show for a new-patient appointment, the patient will be sent a letter requesting that they call if they are still interested in scheduling with MMHC.
3. After the 3rd no show the new patient will be sent a letter notifying them that they will be declined scheduling privilege in all MMHC departments for the next 6 months. If this was a referral, a letter will be sent back to the referring provider for reassessment.

For established patients who miss appointments:

1. An established patient who has three no shows within a six-month period will only be allowed to double book appointments at the convenience of the provider where time allows. The patient will be notified at the time the call to schedule that they are being double booked due to repeat no shows and as a result the wait time will likely be longer than normal.

Refill Policy

While we prefer to refill your medications at your office visit, we understand that at times that is not possible. We will do our best to fill your refill request as soon as possible. However, you should plan ahead as our policy allows 5 business days from time of request for refill to be sent to your pharmacy.

Policy on Unacceptable Behavior

While we understand that health problems and navigating the health care system can be stressful, Mathiesen Memorial Health Clinic has a no tolerance policy for discrimination, sexual harassment, violence, bullying or intimidation.
